JORGE PLANAS

Stonington High School welcomed two foreign exchange students this year: Jorge Planas, Mexico; and Nina Menezes, Brazil. Jorge came during the summer in the first week in July and stayed through October 1. During his stay in Stonington, he resided with Rev. Bears, Lyle Klays, and Arthur Gebharts. Jorge added a special spark to the school with his intelligence and eagerness to make friends. Nina arrived here September 9 and stayed with Bernadine Gleason and Calvin Scallions. During her stay, Nina especially enjoyed participating in sports such as speed ball. Everyone enjoyed having them and wished them the best of luck in the future.

STONY ECHOES STAFF PREPARES MEMOIR 1973-74

CONCESSION: Ezra Brinton

The Stony Echoes Staff was hard at work most of the year. With picas and proportion dials in hand, the editors worked hard and long to meet their deadlines which often resulted in trash cans full to the brim with disgarded ideas and a few empty pop cans. The six editors and Mr. Swearingen attended the I. C. P. Yearbook Seminar in the fall to learn how to produce a yearbook. Financing of the book this year included selling pop, popcorn, and peanuts at ballgames and selling ads to local businesses.

FTA-SAE

FTA-SAE has been active this year. They started electing one student each month that they felt had been outstanding in some way. The students were: Jorge Planas, Steve Klay, Mark Bilyeu, Sue Nolen, Tim Pugh, Ted Roth, Terry Blome, and John Brown. They helped with the kindergarten room and some of the student taught. During their meetings they had started viewing movies and had been discussing them and their teaching method. They took a field-trip to Hope School and sang and entertained the kids during their activity period. They also toured the school. On the night the board candidates spoke some of the members babysat for kids.

This is an example of the student of the month on the bulletin board. It was also announced on the morning announcements.

I'VE GOTTA BE ME

The dream that I see makes me what
I am.

That far away prize. A world of suc-
cess. It's waiting for me if I heed
the call.

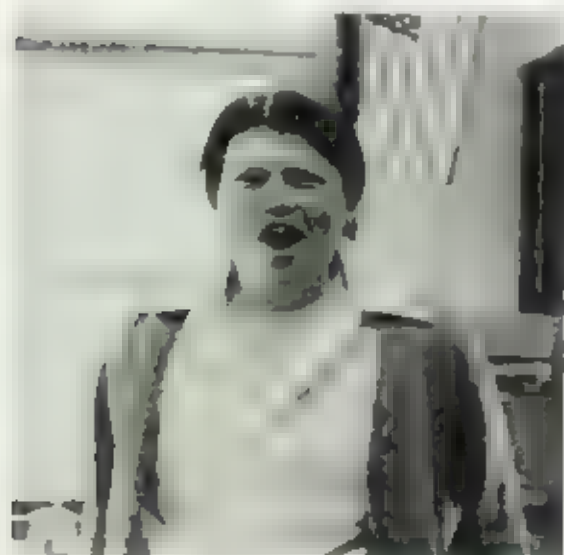

I won't settle down or settle for less.
As long as there's half a chance that
I can have it all.

I'll go at it alone. That's how it
must be.

I can't be right for somebody else
if I'm not right for me!

I've gotta be free!

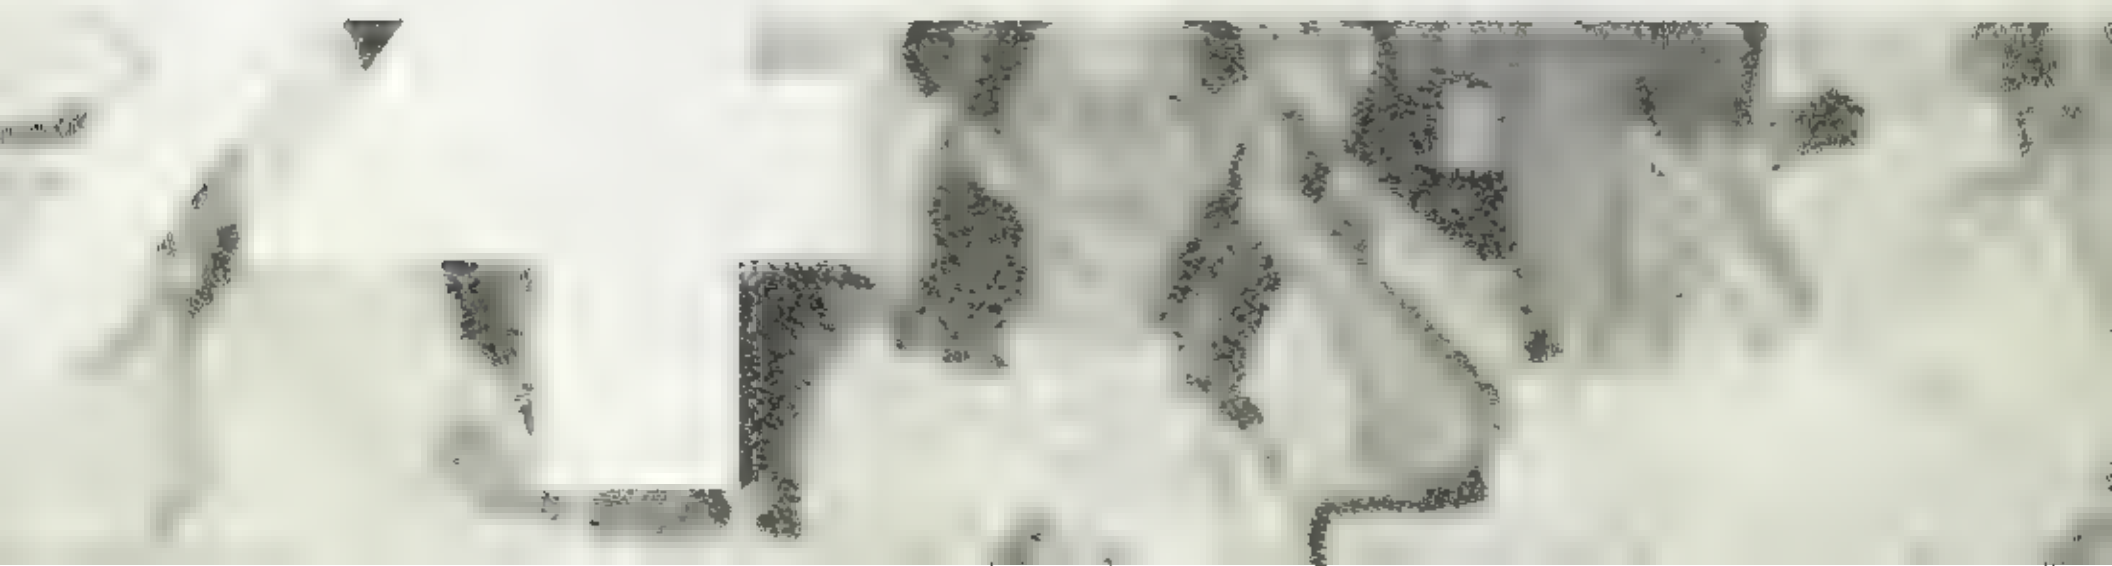

Daring to try to do it or
die!
